## **Host: Jonesville Fire Department Saratoga County October 10-11, 2020**

Jonesville Fire Department • Station 1 • 953 Main Street • Clifton Park, NY 12065

It is said that if you're more than five feet from the doorway, your chance of survival in a flashover is minimal. Working in this program, you'll experience fire development from the incipient stage all the way to flashover. You'll be able to identify the signs of the event before you're part of the flashover. If you've never been in a flashover container, this program – staffed by America's most seasoned instructors with years of experience teaching with a simulator – is a must. The program includes a one-hour classroom lecture, followed by two hours of intense live fire hands-on training evolutions in NYSAFC's mobile flashover simulator.
